

## FRIENDS OF THE BEDFORD COA

The Friends of the Bedford Council on Aging (FBCOA) is a private, incorporated, non-profit organization for all Bedford townspeople who wish to help the Council on Aging serve our older residents.

The FBCOA raises funds for the Council on Aging, operates the Fix It Shop, sponsors day trips, informational programs, and other events of the Council on Aging, and sells greeting cards and crafts.

The FBCOA needs your continuing support. Could you join its current 450 members and help continue this important work? Membership application forms are available in the COA. Short meetings are normally held at 1:00 on the second Tuesday of the month and are followed with refreshments.

Besides knowing that they are supporting our town's elders, members receive a discount card good at many area businesses. Membership benefits also include eligibility for overnight trips which are for FBCOA members only. Some of the more notable overnight trips in recent years have been to the Grand Canyon and Vegas, the Great Smoky Mountains, Myrtle Beach, and the Penn-Dutch country.
